Ink Jets and Cell Phone Recycling

Hardin County Family YMCA is now collecting empty inkjet cartridges for recycling. We receive up to \$4.00 for each cartridge recycled and .50 per cell phone recycled. Cartridges and cell phones can be deposited in our collection bin located next to the front desk. **No large laser cartridges are accepted with this program and will not fit through the holes on our collection box.**

Simply place your old cartridge in a plastic sandwich bag and deposit it in our collection bin. Most businesses simply throw their empty cartridges in the garbage so check at work to see if they would donate their would be garbage. The acceptable cartridges are listed below.

In addition to raising money for The Hardin County Family YMCA, recycling inkjet cartridges has a positive impact on the environment. Consider the following: Nearly 1 million inkjets are thrown into our landfills everyday. Less than 5% of the cartridges produced are recycled. It takes 1000 years for the plastic to decompose.

Questions about the program can be directed to Paulette McCulley at 419-673-6131.
