

Hardin County Family YMCA

Adult Racquetball League Rules

1. Your racquetball league fee covers all court rental fees during league play.
2. Matches will be best two out of three games. First two games to 15 points (win by 2); if a third game is necessary to determine match winner, the winner is the first player to reach 11 points (win by two).
3. Play your scheduled match in the week listed on the schedule. Report the winner of the match to the front desk so we can keep track of everyone's match play record.
4. You may pull ahead matches and play more than one match per week if you can coordinate match play with your opponent. Please try to finish all your scheduled matches within the 8 week schedule.
5. Contact the player you are playing for the week and agree on a mutual time for your match; call YMCA (419-673-6131) and reserve court time (identify yourself as a racquetball league member). One and a half hours should be reserved for ample time to play match.
6. Normal racquetball rules apply during match play. Alternate first serves for each game. Any questions regarding rules can be directed to league commissioner.
7. Because of an odd number of players, you may have a bye week or have to play more than one match per week to complete schedule by end of March.
8. All players **MUST** wear safety glasses and use safety cords on racquets during match play.
